Moda Porcelain

Moda Porcelain from Trenton International combines the style of beautiful artisanal ceramics with the strength to withstand the rigours of commercial use. Each piece is subtly unique.

Crafted from natural clay, this range is both striking and practical.

With the most recent trends leaning towards softer and more subtle decors, with its muted earth tones and pastel shades Moda Porcelain provides an organic style to suit.

The individual colours lend a subtle elegance to the dining experience, and an appealing eclecticism when combined with other colours.

Of course, it's not all form with the Moda Porcelain line. It's designed for commercial use, and thus has all the durability required for long-term cleaning, storage, and stacking.

The word Moda means fashion, and the Moda Porcelain crockery range offers a touch of glamour and natural style to any table.

CHIC

Artisan crafted and exquisitely designed, the Chic Moda Porcelain range, with its darker-hued rim, is a beautiful addition to any table and perfectly complements a range of cuisines. #modaporcelain
